Code Citation #1220C-2024 Update: Mr. Liles gave an update on the inspections that have taken place since the January meeting. He did wait until February for an inspection due to all of the snow that has taken place. He reported nothing has really changed in the back lot and the front lot has started to fill up again. He reviewed some of the conversations that have taken place and Mr. Gilbert indicated he will try to get an impound lot license from the County. Mr. Liles did speak with Cindy Minter with the county, and they would not allow a change if a business is in violation.

Mr. Liles has another inspection on March 25.

Mr. Faulkner mentioned he had noticed that it was getting better for a bit and now it has gone back to what it was before.

Mayor Schabell shared this business has been an issue for a very long time and the owner does not seem to make any strides to clean it up.

Ms. McDole asked that not only pictures be taken but that an account of the conversation be documented so they have all of the information available. Mr. Liles did mention that he has been taking an officer with him to have the interaction on body cam footage.

NEW BUSINESS - None
